Counsel,

Freescale and CSR/Zoran have entered into a Binding Settlement and License Agreement ("Agreement"). Accordingly, Freescale intends to move to amend its complaint to withdraw its claims against CSR/Zoran, and its claims or portions of claims asserted against Funai, Sanyo, and TPV to the extent Freescale's claims are based on Funai, Sanyo, and TPV's use or right to use CSR/Zoran products. Freescale will also seek to conform the asserted claims in its live complaint to its March 1, 2013 Disclosure of Asserted Claims and Preliminary Infringement Contentions. We have attached a red-lined version of Freescale's proposed Third Amended Consolidated Complaint, as well as a clean copy. Pursuant to Local Rule CV-7(i), please let us know by 3:00 Central time tomorrow whether you oppose.

If you have questions, please feel free to call me.

Best,

Matt
